**Release date:** 2004-08-05

**Replaces:** Software version 1.3.5/CD Rev.2 and older revisions.

**Update requirement:** None.

**Description:** \_\_\_\_\_

The VisibleSpeech hardware has a build-in serial-to-USB converter. Because the manufacturer of this converter updated the drivers for various PC operating systems (98, NT, 2000 and XP) a new revision of the CD was made.
